This semester we will be learning the musical *The Kingdom Connection* by Christy and Daniel Semsen. Books are required and students must have one in order to try out for a speaking part or solo. * We were supposed to do this musical last semester and had to cancel due to COVID. You may be able to get a used copy of the book from a former student. *****

Fourth – seventh grade students are permitted to try out for speaking parts and solos.

We will perform the musical on the Arts and Sciences night.
