

Kindergarten ART – Fall 2019

Hi! My name is Lisa Sheffield. I will be your child's Kindergarten ART mentor. During this semester your child will have the opportunity to explore different types of art mediums. We will look at how shapes, colors and patterns work together to make ART! There may be times I send home papers for your student to keep, so you may want to provide them with a folder that they can use to keep their "Art" papers in. **I will keep our projects each week** and will have them all on display during Arts & Sciences Night in December.

If you have questions or concerns about this class, you may contact me by email at lisasheffield.2013@yahoo.com or by my cell phone (336) 394-2400. I am looking forward to an exciting semester!

I will supply everything needed for this class.

- **IF your child would like to have their own art supplies here is what they will need:**
 - Colored Pencils, glue sticks, scissors, colored markers, watercolors, crayons

September 6

September 13 Colors – Primary and Secondary

September 20 Colors-continued
Color Mixing Project

September 27

October 4

October 11

October 18

October 25

November 1

November 8

November 15 Thanksgiving theme project

November 22 CATCH UP DAY and Winter/Christmas Project

We will finish up any projects not yet complete so they will be ready for Arts and Science Night! I will have an alternate project for those who have finished everything.

****DECEMBER 2, 2019 6:30pm Arts and Science Night** Student may take home their artwork at the end of the evening. I will collect any projects left and send them home on the last day of class.****

November 29 **NO CLASS ~ HAPPY THANKSGIVING!~**

December 6 Last day of class!

We will have a Christmas project on our last day before winter break! ☺
